Kyle --

This is the journalists' carve-out from SB 1208. I discussed this with Representative Hancock at the hearing on Monday.

You could say the 36-hour limitations do not apply to:

- (6) a radio or television station that holds a license issued by the Federal Communications Commission;
- (7) a newspaper that is qualified to publish legal notices or is a free newspaper of general circulation and that is published at least once a week and available and of interest to the general public in connection with the dissemination of news;
